Ms.Vicky Davis
Federal Election Commission
Washington, DC 20463

Dear Ms. Davis:

I am writing to amend the October 2012 Quarterly Report for the Friends of Dick Durbin Committee. Several contributors with duplicate records in our database had incorrect aggregate totals or did not show up on the report.

Robert Thomas contributed $100 online on August 24th, 2012 which created a duplicate record. By combining this record with his earlier record of Primary 2014 contributions, his new aggregate total for the reporting period would be $1500. Additional contributions under this duplicate record in October of 2012 will be addressed in an amendment to the Year End Report. His records have been combined.

Pamela Tichy's $75 online contribution on July 13th also generated a duplicate record. Combining her records brought her previously unitemized Primary 2014 contributions into her new aggregate total with additional contributions in October of 2012.

James Johnston made a $100 online contribution on August 24th , 2012 which generated a duplicate record. It was not itemized on the report but combining his records brought his aggregate total to $400. He made an additional contribution in December which will show up with corrected aggregates on the Year End Report.

Jill Deutsch made a $50 online contribution on August 24th which also generated a duplicate record. Her combined records show the corrected aggregate total of $1090. She made another contribution in November which will be itemized on the Year End Report.

Joel Nickson's $25 online contribution on August 24th created a duplicate record which was unitemized on the report. Combining his records itemized the contribution with a new total aggregate of $625.

I have attached Schedule A's with the correct totals. Thank you for your attention to this matter.

Sincerely,

Douglas Dougherty
Treasurer
